Reading Task 2

PART A

Read the text and answer the questions. Circle the correct option: a, b, or c. An example has been done for you.

Dear Tom!

How are you? You asked me to write you an email when I arrived in Spain for the summer language course. Mum and I left our house early this morning. We flew from Manchester airport and landed this afternoon.

The flight was boring. I was going to read a book or learn some new vocabulary, but I fell asleep as soon as we took off. When we landed, the weather was great, but we had to wait in a long queue at the airport, and so we missed my two-thirty train to Madrid. Fortunately, the trains are quite frequent, so we were able to get on one at quarter to three, and arrived in the city just after four o'clock.

The place Mum and I are staying at has two big bedrooms and a nice kitchen, which Mum loves. But I think the most amazing part about it is the balcony with views of an old church.

Tomorrow is a national holiday in Spain, so the language school is closed. We'll do some sightseeing instead! I'm worried that my Spanish is not good enough to communicate, so I hope we're going to find all the places we want to see! Mum says that the weather should be OK.

You must tell me about how your last exam at school went as soon as you know. Try not to get too stressed while you wait to find out. Maybe you could see a film at the cinema?

Your friend,

Mike

Example: Mike is writing to:

- a) his dad.
- b) his friend.
- c) his teacher.

11. Right now, Mike is:

- a) at home.
- b) visiting his mum.
- c) in a foreign country.

12. What did Mike do on the plane?

- a) He read a book.
- b) He learnt new words.
- c) He slept.

13. Why were they late for the train?

- a) Because the flight was late.
- b) Because of the weather.
- c) Because the airport was busy.

14. Mike travelled on a train at:

- a) 2.45 pm.
- b) 3.15 pm.
- c) 4.15 pm.

15. What's Mike's favourite part of his apartment?

- a) The kitchen.
- b) The balcony.
- c) The bedroom.

16. Tomorrow, Mike is going to:

- a) start his course.
- b) visit some attractions.

An example has been done for you.

Text A

Hi Joe,

We'll be at the Red Dragon restaurant for Billy's birthday party on Saturday. I'm not a fan of Chinese food but it's Billy's favourite! If you can join us, the restaurant is on Town Street – from the park, go straight ahead on Green Street. You will go under a bridge and past a swimming pool on the right. When you see the library, turn left into Rose Lane. The restaurant is on the corner, opposite the new school. See you there!

Marie

Text B

I'm from America but now I live in China. The local food here is delicious. I love it! Some simple fish or meat with rice from a nice restaurant is the perfect lunch for me and my friends. My mum taught me to make the best chicken soup. Most people think that Chinese food is unhealthy but I don't agree. We eat a lot of vegetables and drink green tea every day. Because of my diet and Tai Chi, my favourite type of Chinese exercise, I'm much healthier these days.
Nancy, Beijing

Text C

We went for dinner at the Seven Stars Chinese restaurant in Edinburgh last week and really enjoyed it. The menu is not too expensive at under £15 per meal and there are a lot of different dishes. We don't eat meat, so we had a seafood meal for two. There was a lot of food and we didn't need a dessert! The staff are very polite and helpful too. It gets very busy though. You can't book a table online and there is often a queue, so prepare to wait. We waited for almost 30 minutes. The other problem we had was paying the bill – we wanted to pay by card but it's cash only, so remember to take some cash with you. It's really worth a visit!
